## STADION MONEY MANAGEMENT RECEIVES DESIGNATION AMONG BEST PLACES TO WORK IN MONEY MANAGEMENT

---

**Watkinsville, GA., December 9, 2019** - Stadion Money Management is proud to be ranked as one of the Best Places to Work in Money Management for 2019. The designation, awarded by institutional investment publication *Pensions & Investments*, is granted based on the results of double-blind research via company survey.

*Pensions & Investments* partnered with Best Companies Group, an independent research firm specializing in identifying great places to work, to conduct a two-part survey process of employers and their employees.

Stadion employees participated in this survey at a rate of 21% over the reported response average. The survey featured questions concerning several important aspects of employee satisfaction including Work Environment, Work-Life Balance, Relationship With Supervisor, and Overall Engagement.

"We pride ourselves on how we help clients prepare and save for retirement with our personalized solutions," remarked Jud Doherty, President and Chief Executive Officer. "It's an additional compliment that we've also been recognized as a great place for our employees to thrive personally and professionally."

Duane Bernt, Chief Financial Officer and Human Resource Leader, said of the results, "Stadion blends the uniqueness of Wall Street investing sophistication with a Main Street familial culture; this bodes well for the success of our company and employees."
