

# ONLINE GRADUATE PROGRAMS

SACS accredited & GAPSC approved

# PIEDMONT UNIVERSITY

## COLLEGE OF EDUCATION

*“An investment in knowledge pays the best interest”*

### Master of Arts (MA)

- Elementary Education
- Middle Grades Education (Language Arts, Math, Social Science, and Natural Science)
- Secondary Education (English, Math, History, and Broadfield Science)
- Art, and Music

#### Highlights of the Master's Program

- After successful completion of the program, you will be eligible for a certificate upgrade and state pay raise.
- Anyone with a Bachelor's degree, a 2.5 GPA from an accredited institution and current renewable professional certificate can apply.

### Education Specialist (Ed.S.)

- Curriculum & Instruction (C&I)
- Art, and Music
- *At the end of your Ed.S. you can apply for Tier I Educational Leadership*

Our goal is to develop distinguished contributing educators as instructional leaders, mentors, and models across school systems.

#### Highlights of the Ed.S. Program

- After successful completion of the program and passage of the GACE in C&I, you will be eligible for a certificate upgrade and state pay raise.
- Anyone with a Master's degree, a 3.5 GPA from an accredited institution, current renewable professional certificate, and two years of successful teaching experience can apply.

Virtual ZOOM meetings are planned every Tuesday and Thursday through December 9<sup>th</sup> at 4:15 pm.
