

Member Portal: Add a Hot Deal

1. From the left navigation menu, click on Hot Deals.
2. Click Add a Hot Deal.
3. Enter deal details and click Submit for Approval.

Kim or Marissa will review and approve your deal, or reach out to you with questions if needed. After approval, your event will be featured on the Community Hot Deals page at athensga.com.

We recommend rotating deals at least every four weeks to keep your offers fresh. You can use the same process for Member-to-Member Deals offered only to fellow chamber members.
