Join A-CORPS

The **Athens Community Corps (A-Corps)** is a pilot program coordinated by the ACCGov Economic Development Department. A-Corps will employ 10 residents in new, temporary full-time positions with benefits for 11 months.

A-Corps team members will work on community projects, while also receiving training and exposure across multiple career fields. The A-Corps program's goal is to develop professional, interpersonal, and technical skills to prepare team members for high-demand workforce needs in the community.
