## 2020 Response to COVID-19 Crisis Mini-Grant Application

The Junior League of Athens, Inc. (JLA) is an organization of women committed to promoting volunteerism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

In addition to serving the Athens community with our members' volunteer hours, The Junior League of Athens annually donates a portion of the funds we raise to local nonprofits that share our mission through our Mini-Grants. JLA members want the opportunity to improve our community in meaningful and challenging ways specific to our current area of focus: **The COVID-19 crisis that impacts the security of the community which is needed to address our signature focus of literacy.** Our Mini-Grants program seeks to fund agencies and projects that are actively addressing the needs created by this crisis. We would like to reach out to programs that have not received our mini-grants in the past.

**Applications for our 2020 Response to COVID-19 Crisis Mini-Grants are open and we invite your agency to apply!**

Please send completed application packets electronically in a PDF to [jlacommunityimpact@gmail.com](mailto:jlacommunityimpact@gmail.com) with subject line COVID-19 **Mini Grant Application**.

**Applications are due by 5:00 pm (EDT) on Friday, April 24, 2020.**
