### NATALIE PITTS

Marketing Major, Athens Campus, Class of 2019

*Professors make you their priority and really want the best for you. I was fortunate enough to be placed in an internship at the Classic Center that can lead to a bright future for me. I am so grateful for everything that the Walker School of Business has done for me. I can't wait to apply the skills my professors have taught me in my future career.*

## Our Services

### Thank you for your interest in Piedmont College.

We are here to help you through this process, complete your degree, and begin your new career.

Piedmont College–Athens features small class sizes, giving students access to more personal support. All business classes are in the evening, and select courses are taught online. This allows students who have families or work to complete their degree.

As a Piedmont Student, you will have free access to our Career Service Center. They will help you with networking, interview preparation, job/internship search, and more.

Our outstanding internships can be taken for class credit and provide you with career opportunities, paving the way for post-graduation employment.
