A Few Student Best-Practices from Edgenuity to help students be successful in a virtual environment:

- Focus and **be on task** in Edgenuity
- **Protect your username and password**
- **Read Announcements** that pop up upon login
- **Learn from your mistakes**; review incorrect responses and take notes
- **Pause** math videos and try examples before they show the answer.
- **Review grades and monitor progress** using the *Course Report*
- **Take eNotes** throughout the course
- **Answer all subjective responses thoroughly**, in complete sentences, and using your own words
- **Review** lectures, notes and previous attempts before taking quizzes, tests and the cumulative exam
- **Check Scores and Feedback Report and Assignment Calendar** daily
- **Save your work** before exiting (when applicable) and **log off correctly**
