Eternal God,
whose Spirit moved over the face of the deep bringing forth light and life;
by that same Spirit, renew your creation, and restore your image in your people.
Turn us from careless tenants to faithful stewards,
that your threefold blessing of clean air, pure water and rich earth
may be the inheritance of everything that has the breath of life
and one generation may proclaim to another the wonder of your works;

help us to leave behind our consumer demand for plastics and move towards
behaviors that are environmentally healthy;
help us to follow your lead in caring for the world you love.
through Jesus Christ, your living Word,
in whom the fullness of your glory is revealed.
Amen.
