Dear Friend of Shalom,

School Sisters of Notre Dame have ministered on both sides of the U.S border with Mexico since 2010. Have you ever wished you could experience the ministry there? Sister Lucy Nigh, SSND, who resides in Douglas, Arizona, and engages with a variety of migrant outreach organizations, is inviting you to learn more about life and ministry at the border.

Join Sister Lucy for a five-session *virtual* experience/reflection on March 20-21, 2021. The online sessions will introduce you to border humanitarian outreach organizations, immigrants and their stories, the impact of the border wall and of immigration laws and policies, and the reality of death in the desert.

### Here are the details:

**Saturday, March 20** at 9 a.m., 12 noon and 3 p.m. Central  
**Sunday, March 21** at 1 p.m. and 4 p.m. Central

Each session will be 90 minutes in length. You are asked to commit to all five sessions for maximum benefit. (The sessions will not be recorded.)

Registration by March 11 is required to receive the link and reflection materials by March 13. Click [here](#) or use the link below to register.
