- 3 Turn north on Madison Avenue**, where the parade disbands. Stop by the Saint Dunstan's booth at the festival grounds to say hello.

A reminder about protesters

You may meet protesters along the route. Do not engage with them. Ignore them and keep your focus on celebrating Pride and supporting one another. If something concerns you, tell a Pride volunteer, staff member, security personnel, or one of our parade leads instead of stepping in yourself. For emergencies or problems, call the Event Command Center at **918-922-0400**.

Wear and bring

Wear a Saint Dunstan's or Trinity's shirt if you have one, and no worries if you do not. Bring comfortable walking shoes, sun protection, a water bottle, and a charged phone. Stay with our group and follow your parade lead along the route. If you are not able to make it, please text a parade lead.
