## **LEAGUE PLAY**

### **Fall Travel Pickleball League**

Teams are finally sorted. Emails have gone out to all team captains. The captains are registering those teams this week. Once the teams are registered on the league website, an email will be sent out to the individual players with instructions on how you sign themselves up on that newly created team. Teams must have at least 4 players registered by 10/15.

### **November In-House League**

VB In-House Pickleball League will be open to residents of all levels. All matches will be played only on our courts. Matches will be leveled based on ability. This is a casual, mildly competitive league. This league will run every Tuesday in the month of November 11:15am-12:45pm and will require a minimum of 75% availability. A sign-up sheet is posted in the Pro Shop on

Monday, October 9<sup>th</sup>. You can also text or email me if you're not in town just yet. Even if you've expressed interest in the past, please be sure to sign up officially. The exact league format will be determined once I have a better idea of just how many players are involved. If you're not going to be here in November, don't worry. A three-month In-House league will start back up fresh in January.
