Actuarial Career Day

We cordially invite you to attend ASNY's 32nd annual Actuarial Career Day, which will take place **virtually** on Sunday, September 13, 2020, from 12–5 pm, **with the unique feature of having real-time private audio and visual one-on-one interviews with each company whose qualifications you match!**

College freshmen through graduate students are welcome as well as professionals interested in the actuarial field as a future career. We encourage mathematics, economics, computer, finance, business and -- of course -- actuarial science students.

Employers looking to participate in this event should visit this [link](#) or contact us at ASNYcareerday@gmail.com.

Attendees **MUST** complete a 2-step [online registration](#) in order to be registered. If you do not receive a confirmation email within 24 hours, your registration did not go through, so please try completing your registration online again.

Registration Fees:

- On or before August 31: \$10 (non-refundable)
- September 1 - September 10: \$20 (non-refundable)
