Gamma Iota Sigma

International Risk Management, Insurance
and Actuarial Science Collegiate Fraternity

Invites you to join us for
Charter Night

We are pleased to announce that University of Missouri is receiving an official charter for the Beta Psi chapter of Gamma Iota Sigma Fraternity.

Our thirteen founding members are thrilled to join the community of students & professionals interested in Risk Management, Insurance, and Actuarial Sciences, while enriching our overall education and experience at Mizzou.

We invite you to attend our charter ceremony with the Grand Chapter and a networking reception to follow.
