

Nomination Report 2025

As a non-profit professional organization, it is the PEI College of Family Physician's duty to ensure the highest level of governance and stewardship of member interests. Populating committees with appropriate skills and experience is one means to achieve this goal, as is ensuring the committees reflect the diversities of our members. We would like to thank all who submitted expressions of interest to be on the PEI Chapter board.

The following members have submitted their expressions of interest, and their nominations have been discussed and approved by the nominating committee, and are presented here for your voting:
