

**Sames North America Corporation**

45001 5 Mile Road

Plymouth, MI 48170

**For Immediate Release**

Plymouth, Michigan, February 13, 2024: Sames North America is excited to share that Regan Murray, our President of Sames North America has assumed the role of President of Sames Americas.

In this expanded role, Regan will maintain oversight of our North American operations, spanning the USA, Canada, and Mexico, while also spearheading the management of our teams in Brazil and Argentina, extending our reach across North, Central, and South America.

With over a decade of proven success in leading our operations in North America, Regan will leverage his expertise and guidance to drive growth and excellence in our South and Central American operations.

Please join us in extending congratulations to Regan on his recent promotion!
