Dear Chamber Member,

The Healdsburg Chamber of Commerce is pleased to announce that Town Square Publications has been selected to produce our 2017 Healdsburg Chamber of Commerce Business Directory and Relocation Guide

Town Square Publications new publication program provides an opportunity to promote the community with a book profiling our community in print and online. The entire full color printed publication is combined with the dynamics of online exposure, Google business links and a mobile business directory, all connected to the Healdsburg Chamber of Commerce website at www.healdsburg.com, providing our community with multi-media promotional benefits to help grow your business and exposure to our area and beyond.

Town Square Publications offers very reasonable ad rates with No-Cost ad copy and design preparation available. Delivery is anticipated by summer 2017.

This is the most advanced publishing media technology available today. Consider supporting this publication and benefit from the rewards of engaging fellow Healdsburg Chamber of Commerce & Community members with your promotional message.

Sincerely,

Carla

Carla Howell
Executive Director
