

Good Afternoon,

My name is Irene Elliott and I am a recruiter for the Educational Testing Service. I am currently recruiting qualified candidates for the on-site scoring for Praxis Braille in March 2017 at our ETS Rosedale campus in Princeton, NJ.

Scoring will be held on-site at our Princeton Rosedale campus on March 27, 2017.

The qualifications for Braille Test scoring are:

Must be proficient in Unified English Braille (both non-technical and math through Basic Algebra) and Nemeth code, and are either:

Must be currently teaching, or have recently taught, a course in Unified English Braille and Nemeth Code to college students preparing to become TVIs or Braille Teachers. (A list of courses taught should be provided with syllabi).

Or:

A Braille transcriber who has prepared UEB and Nemeth code materials for publication. (A list of publications prepared should accompany their application).

Scoring will be held on site on our ETS Rosedale campus in Princeton on March 27, 2017. Our PASS department will provide information and support for reimbursement for travel expenses (generally- if driving: car mileage or a car service reimbursement). The Rosedale campus is located fairly close to major highways in Princeton.

The pay for scoring is \$20.36 per hour. Reimbursement for traveling expenses such as train and car mileage will be reimbursed. The scoring will be no less than a half-day session and could possibly be 6-8 hours on March 27, 2017. Lunch will be provided.

I would be more than happy to discuss any questions that you might have. Please let me know if I can provide any additional information to enable you to share contact information for qualified candidates that may be interested. Please feel free to give me a ring or send me an email. My phone contact info is listed below. In addition, my email address is also provided below so that if there are any other potential candidates that you may know, please feel free to share my email address with qualified candidates who may be interested.

Thank you so much for your time and attention. I may be reached via phone in my ETS office or my email contact information and address are provided below. I look forward to speaking with you soon.

Best regards,

Irene

Irene Elliott
