

# *Patios opening in the late spring!*

The patio pavers and other hardscape were installed this past fall, and we will install the trees, plantings, and irrigation in the early spring. You will soon be able to read, meet, and socialize outside in a pleasant, relaxing outdoor atmosphere. Alternatively, wireless internet is available for study, work, or connecting with friends, family, or content online. We are especially excited to offer outdoor programs, events, and concerts! We look forward to opening the patios for your outdoor enjoyment. Stay tuned for more information.

## *Friends of the Library*

"Storage space is limited until we can hold our next book sale, but in the meantime, the Friends are looking for a few good books! Do you have newer, gently loved books published in 2018-2020; book series/sets, DVD's or other great books in excellent condition that somebody else would love to read? Please email the friends at [friends@whitelakelibrary.org](mailto:friends@whitelakelibrary.org) to arrange a pick-up in the library parking lot. Thank you for your continued support. We look forward to seeing you soon."
