Phase 4: Open with Conditions

- The building will be open with current CDC social distancing guidelines.
- Curbside delivery will continue
- Study rooms will be limited to one occupant at a time
- Enclosed spaces such as meeting rooms not available to the public
- Masks required based on the current order in place

Phase 5: Back and Even Better

- The library resumes similar services as before COVID-19 with some service enhancements and no restrictions.
- We look forward to serving our patrons even better!

The Friends of the Library

Donations: The Friends are accepting donations in the parking lot on Saturday, September 26, and Saturday, October 24, from 11:00 am – 1:00 pm. Please bring your gently used and in good condition books, DVDs, CDs, video games, and textbooks less than five years old. Follow us on social media and check the Friends web page for more information.

Book Sales: The Friends would like to but cannot hold their seasonal book sales due to COVID 19 social distancing and indoor gathering restrictions. They are, however, continually replenishing their ongoing book sale, which is next to the entrance to the Youth Area. Check out their top-quality books and materials!
