

Lord Jesus Christ our God, the Cornerstone of Thy holy Church, look down upon our humble efforts to prepare a temple for Thy holy glory.

Through the prayers of our holy Saint Anne, protect us from hurt, keep us in oneness of mind; inspire and strengthen us all in our labors and in all our deliberations.

Remember, O Lord, Giver of every good gift, the friends and benefactors of the holy temple we desire to erect to Thy glory.

Remember in Thy Kingdom, O Lord, all those, who with generous hearts support the construction of this sacred place. And as Thou didst proclaim that even if Thy disciples were silent, the very stones would cry out, so also grant that this holy temple may draw all of the residents of this city to worship Thee in spirit and in truth.

Enflame our hearts to know and accomplish Thy will faithfully and diligently, offering all we are and all we possess to the glory of Thy holy Name. For Thou art the Lover of Mankind and to Thee we send up glory, together with Thy Father without Beginning, and Thy most holy, good, and life-giving Spirit, always, now and ever, and unto ages of ages.
