After School Art invites Grades 1 through 8 to join an art program established over 25 years ago.

This 1 1/2 hour class is perfect for beginning, intermediate and even advanced students. Students focus on line, form, positive and negative space, relationships of one object to another, composition, color value and texture. Lessons encourage careful observation while stretching ability to focus. In a non-threatening environment where creativity can flourish, students are inspired by unusual projects and experiments with different media! Decision-making skills are developed and art appropriate vocabulary is introduced.

All art material is included for no additional fee. (Students should bring a small snack and an OLD SHIRT OR SMOCK). Classes meet in the Art Room and students are dismissed to STEP or CAR RIDERS to the new front entrance, door 7, off the Benton Street parking lot.

Please write your check for the 7 week session payable to Sharon Lewert for the \$140 fee and return it to school with your completed registration. Signing and providing payment for your child(ren) to attend Art gives St Theresa school, faculty & staff permission to send your child(ren) to ART on the above dates. QUESTIONS? call Sharon at 847-707-1180.

I give my permission for my child(ren) to remain after school for ART class.
