

Avoid Scams

What should you do if someone calls and asks for your information, for money, or threatens to cancel your health benefits if you don't share your personal information? **Hang up! It's a scam.** Scam artists may try to steal your personal information by calling you and asking for your current Medicare Number to get your [new Medicare card](#).

Medicare will never call uninvited and ask you to give personal information or money to get your new Medicare Number or card. [Learn what to do](#) if you get a suspicious call like this.

Remember: Your new Medicare card will automatically come to you in the mail. You don't need to do anything, as long as your address is up-to-date with the Social Security Administration. If you need to update or verify your address, visit your [My Social Security account](#).

Sincerely,

The Medicare Team
