

The Road Back: Restoring Economic Health through Public Health

Maximum restrictions

STAGE 1

STAGE 2

STAGE 3

◀◀◀ If health metrics develop unfavorably, measures from the maximum restrictions stage or stages 1, 2, 3 may be reinstated

What is happening?

Strict social distancing
Non-crucial industries closed

Restrictions relaxed on low-risk activities that may be easier to safeguard

Moderate-risk activities restarted with safeguarding

Higher-contact activities restarting with significant safeguarding

Which precautions apply across stages?

Work that can be done from home should be done from home

Clinically high-risk individuals who can stay at home should do so

Residents and businesses should follow state and federal safeguarding guidelines:

Wash hands regularly

Respect social distancing

Disinfect workplaces

Wear masks in public

Limit gatherings

No mass gatherings

Which businesses are open?

Crucial industries with safeguarding and modifications, e.g., emergency healthcare, essential construction with social distancing

Easiest to safeguard work activities with safeguarding and modifications, e.g., non-essential construction with protections, curbside retail

More work activities allowed with safeguarding and modifications, e.g., outdoor dining, limited personal care

Most work activities allowed at physical locations with safeguarding & modifications

Which social activities are allowed?

- Socialization only with household members, family, caretakers, romantic partner
- Only leave home for limited reasons such as essential shopping and exercise

- Outdoor recreation (e.g., hiking) and beach visits allowed with social distancing
- Other limited activities may be allowed with significant restrictions, e.g., drive-in activities

- More activities with proper safeguards, capacity limitations, and sanitation protocols may reopen, e.g., libraries and museums

- Higher-density settings may be considered with safeguards, e.g., limited entertainment, bars with limited capacity

Are childcare and education operating?

- Child care open for children of essential workers
- K-12 and higher education engaged in distance learning

- Child care may expand with capacity restrictions
- K-12 and higher education engaged in distance learning

- Child care may expand with capacity restrictions
- Potential for some in-person learning with modifications in K-12 and higher education
- Summer school and summer camps may have limited in-person engagement if health conditions improve

- Child care likely open for most
- K-12 and higher education may operate in person with reduced capacity
- Day and summer camps likely open for all with safeguards and modifications

Is public transit available?

- Public transit with enhanced safeguards (e.g., regular vehicle disinfection) encouraged only for essential workers
- Service may be modified with off peak travel encouraged
- Personal protection measures, e.g., social distancing, face coverings

- Public transit with enhanced safeguards (e.g., regular vehicle disinfection) encouraged only for those who cannot work from home
- Service may be modified with off peak travel encouraged
- Personal protection measures, e.g., social distancing, face coverings

- Public transit with enhanced safeguards (e.g., regular vehicle disinfection) encouraged only for those who cannot work from home
- Service may be modified with off peak travel encouraged
- Personal protection measures, e.g., social distancing, face coverings

- Public transit with enhanced safeguards (e.g., regular vehicle disinfection) is no longer discouraged for any passengers
- Service may be modified with off peak travel encouraged
- Personal protection measures, e.g., social distancing, face coverings

How do I take care of my loved ones and myself?

- I stay at home as much as possible and check in virtually with my loved ones
- When I have to go outside, I wear a mask and stay 6ft away from others
- I call a doctor in the event of fever, cough, or shortness of breath

- I stay at home as much as possible and check in virtually with my loved ones
- When I have to go outside, I wear a mask and stay 6ft away from others
- I have access to elective healthcare
- I call a doctor in the event of fever, cough, or shortness of breath

- I continue to stay at home for the majority of my time
- I engage in small social activities with a limited circle of friends and family
- I can engage in some outdoor activities with social distancing
- I call a doctor in the event of fever, cough, or shortness of breath

- I follow all safety guidelines posted in public spaces, e.g., I anticipate and respect capacity limits at my local restaurants
- I call a doctor in the event of fever, cough, or shortness of breath
