

# Build Your Website in a Day

If you are looking to create an online presence, but don't have the budget to hire a web designer, then this course is for you.

You will learn how to create your website using the WIX platform. Depending on the complexity of what you want to create, you may even finish it during the workshop.

Learn how to optimize your results on search engines such as Google.

**Friday, February 02, 2018 - 9:00am-3:30pm**
