QZ3

INCREASE PRODUCTIVITY

WITH QZ3 PRESCREENING

The CUES QZ3 Portable Inspection Camera, Basic or Advanced, is the Perfect Accessory for Your CCTV or VAC Truck!

- Single-person operation; HD video
- Quickly preview pipe conditions for blockages or surcharges to select the correct equipment to use
- Increase productivity by minimizing unnecessary CCTV camera deployments due to unknown pipe conditions
- Simple to use and light-weight
- Use GraniteNet to control the camera and perform onsite inspections directly to PACP reports
- Optional Wi-Fi Range Extender extends the wireless range of the camera up to 150' away from the truck

Use QZ3 Advanced with Your CCTV Truck

Use QZ3 Advanced with Your VAC Truck
