# **The Business Success Series**

## *Strategic Planning*

4-Part series from the pages of  
**ELEVATE**

Flight Plan Creation  
Aircrew Development  
Tactical Maneuvers  
Ascension Enhancement

### ***Take Your Business to the Next Level***

This dynamic series introduces the BES: Business Elevation System and explores the Four Forces of Business Elevation. Provide your business leaders and their teams with the skills required to create, implement, and support your Flight Plan.

**Facilitated by national speaker and author, Erik Therwanger**

**Cost: \$250 for all four parts + includes workbooks and a copy of *ELEVATE***

**Your business aircraft was not designed to stay on the ground.**

**It's time to take off!**

**THE BES Flight Path™**  
*The STEPS of BUSINESS ELEVATION*
