
LAKEVILLE YELLOW RIBBON

Honoring, Serving and Supporting our Veterans

Coming home from the military is not easy! When combat veterans return to their communities, they and their families will face the challenges of putting their lives back together.

Veterans will be confronted with struggles of re-integrating. Their children will have grown and changed, spouses will have become more independent, and communities will not be the same. With the support of their community, the struggles of re-integrating can be eased by reconnecting with their peers and re-entering the workforce

The goals of our Campaign

- ◇ To recognize and honor local veterans and their families.
- ◇ To create a city pathway to veteran and family support resources.
- ◇ To build partnerships with local companies to offer opportunities for them to support and offer discounts to assist veterans and their families.
- ◇ To provide resources and awareness of veterans issues to the community.
- ◇ Provide opportunity for veteran and family camaraderie at various Lakeville Yellow Ribbon events.
- ◇ Provide support and education
- ◇ Provide resources for personal needs (snow removal, lawn care, meals, ramps)

You can help. Volunteer!!

Lakeville residents, businesses, schools and churches are invited to join the Lakeville Yellow Ribbon campaign by finding opportunities to pay tribute to and support our veterans. You are challenged to think creatively about how you can help. If you have programs you are interested in implementing, let us know.

Lakeville Yellow Ribbon wants to make sure our deployed heroes know that while they are protecting us, we will help look out for their families

Join us...Honor our Veterans!

Lakeville Yellow Ribbon is committed to providing the support and resources our local military members deserve during all stages of their career and lives.
