The faculty and Administrator(s) are charged with monitoring and enforcing the dress code. If a violation of the dress code occurs, students will be required to conform to the standards before being admitted to class.

Dress Code Violations

Upon first violation, the student will be sent to the office and the student's parent/guardian will be notified of the violation and requested to bring the student clothing as defined in the dress code. At the end of the regular school day, a letter will be sent home with the student stating the violation.

Upon the second violation the student will be removed from the classroom and sent to the office to complete their schoolwork until the parent/guardian can be notified to bring the appropriate clothing. However if the parent/guardian cannot be reached and is unable to address the violation, the student will be sent to a designated area to complete schoolwork for the remainder of the day.

A third violation of the dress code will result in disciplinary action including suspension, as deemed appropriate by administration.
