

2026-2027 TUITION AND FEES

**THINK YOU CAN'T AFFORD A QUALITY CHRISTIAN EDUCATION?
THINK AGAIN!**

Unity Christian School Offers Variable Tuition!

With Variable Tuition, a qualifying family's tuition rate is matched to their unique financial position. Based on a confidential, one-page financial profile submitted online to a third party site, our Variable Tuition Team confirms your unique tuition. Tuition at Unity Christian School is not a "One Size Fits All." With the support of generous donors, we can discount a qualifying family's tuition. Although rates can increase from year to year, please make sure that your family takes advantage of Variable Tuition so that you can receive a discounted rate, and you can continue to give your children a quality Christian Education!

You may apply for Variable Tuition online at www.ucswarriors.com

If a student withdraws after June 30, 2026, parents have an unconditional contractual obligation to pay the total annual charges for tuition.

***Fundraising Obligations**

Our fundraising efforts tremendously aid in the operation of our school. Each family will be required to raise a minimum of \$750 profit for the 2026-2027 school year. We will provide fundraising opportunities to assist in fulfilling this obligation. If you would like to opt out of fundraising altogether, please submit a check for \$750 to the School Office by October 1st, 2026 to fulfill your fundraising obligation.
