The faculty, the principal and or the dress code committee are charged with monitoring and enforcing the dress code. Disciplinary action will be at the principal's or dress code committee's discretion. If a violation of the dress code occurs, students will be required to conform to the standards before being admitted to class.

Dress Code Violations

Upon first violation, the student will be sent to the office and the student's parent/guardian will be notified of the violation and requested to address the violation. If the parent/guardian cannot be reached by phone or otherwise and is unable to address the violation immediately, the student will be sent to a designated area to complete schoolwork for the remainder of the day.

At the end of a regular school day, a letter will be sent home with the student stating the violation. Second and third violations of the dress code will result in disciplinary action including suspension, as deemed appropriate by administration.
