

# DAVIS DRIVE EXTENSION

## FROM MANSELL ROAD TO WESTSIDE PARKWAY

PROJECT UPDATE | JUNE 2022

### CONSTRUCTION PROGRESS

5% COMPLETE

### PROJECT HIGHLIGHTS

- » Expected completion date: Early 2023
- » Will improve mobility, connectivity, the local roadway network, pedestrian/bicycle mobility, and safety
- » Will provide greater mobility to existing business, development sites, and a more direct connection between Mansell Road and Westside Parkway

### RECENT UPDATES

- » Erosion control measures installed and being monitored
- » Initial site clearing completed
- » Project contractor has begun grading for retention pond
- » Utility coordination is ongoing

### WHAT'S UP NEXT?

- » Completing retention pond
- » Upcoming utility coordination
- » Installing/relocating the sewer line
- » Continued grading of road to achieve final grade per design
