EXPANSION OR REMODEL PROJECT

1. Attraction Development Grant
2. CSP
3. E-Community Loan
4. Community Support
5. Local Grants

**While each of these examples is possible, the featured projects may or may not have used every funding option listed. Each project did use at least two featured funding options.*

INITIATIVES & INCENTIVES

Available through Kansas Commerce
www.kansascommerce.gov/initiatives-and-incentives/

YOUR INPUT IS VITAL

We want to hear from Kansans - residents, economic and community development professionals, and engaged community leaders - what the quality and importance of community amenities, educational opportunities, commercial amenities, employment opportunities, healthcare, quality of place, and housing are in your city. The results of these surveys will inform the creation of our five-year plan for CDBG. It's vital that your input is received.

COMMUNITY NEEDS

What are the greatest needs in your community? (i.e. housing, childcare, outdoor activities, youth training, etc.)

COMMUNITY PROJECT

Think of a project that would address one community need.

SUPPORT & ENGAGEMENT

How will you gather support? Is it necessary?

FUNDING

What funding streams are available? Private vs Public?

PARTNERS

Who are the partners you need to involve in planning?
(i.e. employers, realtors, professional services, etc.)

CHALLENGES

What are the risks of your project being successful?

SOLUTIONS

What solutions could address the challenges?
