To access remote training and professional development at no charge, sign up by April 1, 2020.
InScribe	http://www.inscribeapp.com/	InScribe is a virtual community that helps colleges build an on-demand support system to connect students to the answers, resources, and individuals they need to succeed. Our Q&A communities create a space for your students to engage with the experts on campus – advisors, instructors, even alumni. Students can search for answers and post questions when they need help. Expert answers are tagged and stored, so everyone benefits from the conversations that came before. Ultimately, students find the help they need more quickly, and experts spend less answering the same questions over and over again.	To help institutions streamline communication and support, InScribe is offering free access through spring term to all colleges, universities, or programs facing campus closure due to COVID-19.
InScribe Continuity Planning and Support Community	https://inscribe.education/main/inscribe/6754110229456694/home	This community is freely available to all education professionals and is a space to ask questions, share ideas, and find solutions during this time of change and uncertainty. Please join us as we work to support each other during this time of uncertainty.	Support Community

Project Wayfinder	https://mailchi.mp/bcac7887247a/sharingresources	Imagine if adolescent education was designed for all students to develop lives of meaning and purpose. In 2015 Project Wayfinder was founded at the Stanford d.school to answer this call. We partner with educators to design innovative learning experiences that foster meaningful relationships and guide students to navigate their lives with purpose.	Project Wayfinder is committed to providing the greater educational community with resources to navigate these times of uncertainty with purpose. We will be proactively curating topical response tools from our existing programs and sharing them in virtual format, such as: - Free lessons from our toolkits to download. - Tips for managing meaningful distance learning. - Regular Waybinar check-ins to counteract loneliness during this period of "social distancing." We are first providing a download to a lesson from our signature Purpose Toolkit: Sharing Resources to do yourself, with your students, or your colleagues!
Pronto	https://pronto.io/coronavirus/

The New York Times Learning Network	https://www.nytimes.com/section/learning	The mission of The Learning Network is to help people teach and learn with The New York Times. The Learning Network publishes about 1,000 teaching resources each school year, all based on using Times content — articles, essays, images, videos, graphics and podcasts — as teaching tools across subject areas. These resources include lessons of the day, writing prompts, picture prompts, news quizzes, student contests, and more. With features like the daily Student Opinion question, thousands of teenagers each week join a global conversation on topics from politics to pop culture.	All of our activities for students, including our daily writing prompts, daily lesson plans, weekly news quizzes, What's Going On in This Picture?, What's Going On in This Graph?, Film Club, and more are all free - and they've always been free!
The OT Toolbox	https://www.theottoolbox.com/	On The OT Toolbox, there are many free resources designed to build skills in children through movement and play. Many related services will be halted for children over the next weeks (occupational therapy, physical therapy, speech therapy, etc.) Parents are seeking resources and strategies to help their children move and play in a way that helps them achieve their goals.	All of the resources are free. More are being added today.
