

Dear Temple Isaiah Members,

It's official. We are ready to order postcards through the Religious Action Center of Reform Judaism's Every Voice, Every Vote Campaign. As with 2020, the RAC is partnering with Reclaim Our Vote to reach voters in underserved communities of color, mostly in Southern states. Let's get out the vote!

The nice part about signing up for postcards with RAC, is that they will be sent directly to you at home. These packets are *free*.

Each Packet Includes:

30 postcards
30 information stickers
30 addresses
1 script

Postage Stamps are Not Included. Two Options:

- 1) Order them online at: https://store.usps.com/store/product/buy-stamps/barns-postcard-stamps-S_740204 and mail your postcards. Or:
- 2) We will stamp and mail your postcards for you. Although we have a limited supply of stamps, you are welcome to drop off your completed, but unstamped, cards at a congregant's home. We will handle the rest. We do ask, however, that you also leave a donation at drop-off to help defray the cost of stamps so that we have enough for everyone. Any amount would be appreciated.

For option #2, after your postcards are addressed and written, send an email to [Wendy Turk](#) and she will email you your drop-off location.

How to Order Packets:

- Fill out the RAC form: https://urj.tfaforms.net/730?utm_medium=email&utm_content=2022_5_19.
- Indicate you are a member of a Postcard Group. Select "Temple Isaiah Los Angeles & ChaiVillageLA." (This replaces answering that you are a member of a URJ congregation).
- No need to donate to RAC when you order. A contribution has already been made by Temple Isaiah on behalf of congregants and ChaiVillageLA members.

The Midterms could not be more important. Let's do what we can. Please participate.

Happy to answer any questions.

All the best,
[Idelle Davidson](#) and [Wendy Turk](#)
Isaiah's 2022 Every Voice, Every Vote Campaign
