

Board Motion – November 18, 2018

Move to authorize the Committee and/or its designee to negotiate and make an offer to get the Jonas property under contract and into escrow on terms that the Committee deems acceptable, including, but not limited to, placing a deposit in escrow, so long as the Board is provided a final opportunity to vote and make a final decision concerning whether to proceed with a purchase (according to the terms of the contract to be negotiated) during the contingency period of the escrow and during the period when the deposit can be returned if the Board decides not to move forward with the purchase.
