

Book Drive

Dear Good Families of OLG,

We are collecting new or gently used children's books to take to our sister school, St. Joseph's Elementary School, in Mampong, Ghana. Lower School Principal, Julie Moran, and second grade teachers, Marianne Brekke and Kathryn Holtz, will join former OLG Principal, Maureen Trenary on a mission trip in early June to deliver the books, learn about the school, and make connections to benefit both of our parish communities.

If each child brought one book we could overwhelm them with our generosity!

Drop Off Books in the Book Collection Containers located by both school receptionist desks, parish receptionist desk, and collection area in the hallway outside of Cassidy Hall. The collection bins will be marked with a sign saying BOOK COLLECTION FOR ST. JOSEPH'S SCHOOL GHANA. You can send books with your OLG students or drop them off yourself. Our goal is to collect 500 books between now and May 29! Please help us!
