Megan Maynor is the author of *Ella & Penguin Stick Together*, *Ella & Penguin A Perfect Match* and *The Sandcastle That Lola Built* and lives in Edina, Minnesota.

Ella and Penguin want to see their new glow-in-the-dark stickers glow—but they don't want to go into the dark. (It's so *dark*!) Can they see the stickers glow another way? Can they face the dark closet if they stick together?

Ella and Penguin are best friends. So it only makes sense that they like all the same things. But Ella loves tutus. Penguin does not. Ella loves finger painting. Penguin does not. Oh no, they don't match! Can they still be friends?

A modern, summery spin on the classic *The House That Jack Built*, in which Lola's day at the beach leads to new friends and a giant sandcastle.
