

# PSO Newsletter

## Volunteer Spotlight

This month we are happy to highlight Sharon Shoberg, grandma to Kindergartener Teagan Montague. Sharon volunteers in the lunchroom nearly every day and often for both shifts! Sharon is amazing and we are so lucky to have her help at OLG.

## It's Almost Showtime! Carnival is April 25th

To make this the best carnival possible, please volunteer for your favorite Carnival activity! There are a variety of times available outside of the actual carnival as well, for those that can't attend or are busy with little ones during the event.
