Learn. Serve. Lead. Succeed. Through Our Community

January 28th, 2019

Today we take time to thank the hard-working members of our community: doctors, nurses, librarians, police officers, postal workers, firefighters, city hall members, and many more people who work to help Edina run smoothly. Students will express their appreciation by creating thank you notes that will be delivered to the various community workplaces. A special celebration will be organized for our dedicated bus drivers.

TUESDAY/WEDNESDAY

Learn. Serve. Lead. Succeed. Through Our Students

Where would we be without our outstanding students who bring Faith, Knowledge, and Service to our school and our community? On Tuesday, January 29th and Wednesday, January 30th we will be celebrating the great gift of our students and the hard work they put into their academic and spiritual growth by taking a trip to Roller Garden in St Louis Park and playing BINGO with our buddies. On Tuesday, 2nd, 3rd, 4th, and 6th grade students will be skating and the other grades will be playing BINGO. On Wednesday, K, 1st, 5th, 7th, and 8th will be skating and the other grades will be playing BINGO.

Students may bring their own roller skates or roller blades if they would like. Students may also bring money (bag labeled with their name for elementary students) for food and games at the rink. Bringing money is optional. The Roller Garden does not have items with peanuts/tree nuts in their concession stand. If you have a child with an allergy and you are concerned, talk with your child about some safe choices or let your child's teacher know.

We invite you to join us for Mass on Wednesday at 9, followed by open house in the classrooms from 10-10:30.

Learn. Serve. Lead. Succeed. Through Our Vocations

Today we will celebrate and honor God's special call in all of our lives. Our very own Sister Julieta will be speaking to our kindergarten through fifth grade students on how she heard and answered God's call to a holy vocation. She will also touch on her prayer life and how God has changed her through prayer and time with him. Our middle school students will be hearing from a lay parishioner willing to share his calling in missionary work and some religious sisters and priests sharing their vocations and how they found themselves listening for God's voice.

Learn. Serve. Lead. Succeed. Through Our Teachers/Staff

Today we celebrate our teachers in many ways. We begin the day with the incredible and exciting Catholic Schools Week Teacher Raffle. The teachers donate their time, talent, and treasure to help our school raise money for worthy charities, such as: 1) The OLG Student Activity Fund, 2) The Scholarship Fund for our Sister School in Ghana and 3) Camp Knutson- a camp on Cross Lake for kids and teens with various disabilities, medical conditions or other identified needs. The raffle tickets are available through a link in the weekender. Next, the teachers will be honored with a handmade gift created especially for them by their homeroom students. After that, the teachers will be treated to a delicious luncheon sponsored by the OLG Student Council and all staff will receive an appreciation gift from PSO. Finally, capping it all off is the rousing and much anticipated Students vs. Staff Basketball Game. What a way to end the day; what a way to end an amazing week of celebrating Catholic School
