Summer 2022

A Message from the Head of School

Shawn O'Donnell

What a year it's been! As the days got longer, so did the list of activities that our Sacred Heart family was able to engage in! After two years, we were finally able to welcome our community into our brand new Auditorium with an evening full of gratitude, and it was heartwarming to see so many familiar faces together again. In that very same auditorium, our

students also put on an extremely successful final drama production, and the Arts Festival came back with a bang, with our musicians and artists finally able to showcase their talents! Our Midget basketball team took the championship, and students showed off their academic

proWess by building amazing machines for the Technology Fair and doing in-depth research on important geopolitical issues for the Geofair! We have just concluded the school year with a beautiful Prizes Ceremony, Convocation and Prom, with alumna Ms. Harriet Dolan '62 Stairs delivering a powerful Keynote message to our graduates.

No matter how busy we are, though, it's important to spend time with family and friends, so that we can relax and rest up for whatever activities next year has in store. I am thrilled to announce the grand opening of the Julia Cianci Wellness Centre in September, located in what many of you will remember as Barat Hall. Fitness machines and meditation areas will encourage us to take care of our mental and physical health even through a busy school year. In the meantime, I wish you all a restful summer, and hope to see you back for a visit next year!

A Message from the Alumnae Association President

Tara Durley '85

With the end of the school year upon us, the Sacred Heart Alumnae Association proudly welcomes the 2022 graduates as its newest members. As these young confident women continue on to the next chapter in their lives, I know they will carry with them the values and traditions that were instilled in them during their years at Sacred Heart.

As Sacred Heart Alumnae, regardless of our graduating year, we all share similar values, experiences and traditions that identify and bring us together as a united community. Whether it is our social awareness which impels us to action or simply knowing what DASHABUSTADD is, alumnae of the Sacred Heart share commonalities that are deeply-rooted and continue to

stand the test of time. Founded over a century ago, in 1921, the Alumnae Association's mission to convene former students to further the interest in support of their alma mater remains true today.

I look forward to our Fall BBQ on Saturday, September 24th where we will gather and celebrate our anniversary years ending in "2" and "7", as well as those years that were sadly missed due to COVID-19. Please join us for the afternoon and take a tour of the auditorium and the beautiful, brand new Julia Cianci Wellness Centre in Barat Hall.

Happy summer to all.

Performing Arts Return to the Stage!

For the most part, the COVID-19 pandemic placed a hold on performing arts. Live performances were brought to a halt and have since had to rebuild. This holds true from professional to community theatres and even within schools, with Sacred Heart being no different. However, in May 2022, to the excitement of all, the Performing Arts returned to live audiences, with a final drama production and an end-of-year musical concert held in our brand new Auditorium.

On May 6, *Drinking Habits*, a farce written by Tom Smith, was directed by **Ms. Maureen Brown '80**, our Alumnae Coordinator, who is also the School's Drama teacher. The play's crazy antics that take place within a small convent threatened with closure provided an evening of wonderful entertainment, masterfully performed by a small cast of eight dedicated students from each grade level. Costumes and the poster/program were designed by **Ms. Sarah Jones** and the impressive set constructed by **Mr. Alain Vandecruys**, Ms Brown's husband. Many thanks to **Emma Coppola-Popieraitis '21** for the lighting.

Don't miss next year's drama production in May 2023!

On May 12, Music teacher **Mrs. Aran Waldbrook** finally had the opportunity to showcase the talents of Secondary I to V music students during this year's Arts Fest. It was the first live musical concert since December 2019 and was put on in our new Auditorium. Despite the difficulties of practicing with COVID restrictions in place, the concert choir performed beautiful choral arrangements and class band performances by Secondary I and II as well as from our concert band were enjoyed by all. The evening also included two great song-and-dance numbers put on by the show choir.

Pin Ceremony 2022

May 25th is the Feast Day of St. Madeleine Sophie Barat, and what a perfect day for the School to hold its annual Alumnae Pin Ceremony. With the easing of COVID restrictions, the graduates were once again permitted to invite a "special" alumna to issue the pin and to welcome each member of the Class of 2022 into the Alumnae Association. **Karen MacNeil '93**, mother of **Victoria Paquette '22** shared a heartfelt message reminding the grads to cherish their friendships and that special bond that connects all Sacred Heart Alumnae.

On June 22, friends, family and faculty filled the Auditorium to celebrate the Class of 2022. As each of the 47 graduates crossed the stage to receive their high school diplomas, thunderous applause rang out. The ceremony began with Order of Canda recipient **Harriet Dolan '62 Stairs, C.M.**, delivering the Graduation Address which acknowledged her appreciation for her own Sacred Heart education from which she drew inspiration to make a difference and encouraged the graduates to take inspiration from St. Madeleine Sophie Barat's pursuit of social justice to become agents of change in today's society. Invited guests conferred the special academic prizes and the Valedictorian, **Chiara Paolitto '22**, closed out the evening with a humorous and heartfelt message to her beloved classmates.

Alumnae Initiatives

Share the Love Bursary Project

Share The Love - Bursary Project

The Sacred Heart Alumnae Association is embarking on a new and creative project to raise funds for the School's Bursary Program.

We need your support!

An installation made up of individual hearts will be displayed inside the Doctor Penfield entrance.

One donation = One Heart

In September 2021, the Alumnae Association launched a new initiative called *Share the Love – Bursary Project*. The funds raised are directed to the school's bursary fund which aims to make a Sacred Heart education more accessible to potential students. The unique aspect of our project is that every donation made will be acknowledged with a heart that will form part of an art installation to be located at the Dr. Penfield entrance. In June, we were thrilled to receive a generous \$1000 donation from the Prefects of the Class of 2022. What a perfect way to end the first year of our project with a donation from the outgoing leaders in support of future Sacred Heart students. Thank you to the Prefects for the tremendous support and leadership they have demonstrated! We are delighted to add your heart to our community of hearts. Help support the Bursary Program. Visit www.sacredheart.qc.ca/share-the-love/ to buy your Heart today!

In support of the *Share the Love-Bursary Project*, the SHSM Alumnae Association Board organized its first yoga class held in the school's gymnasium on Sunday, May 15th. The class was led by Maria Casella, sister of **Elisa '95** and **Liana Casella '04**. It was a success with both alumnae and family members attending. Participants were provided with healthy snacks baked by **Sarah Davey '85** and refreshments donated by **Sheryl Guloy '89**.

Look out for more yoga classes next year.

The Native Women's Shelter of Montreal

Thank you to the Sacred Heart Community for participating in the Alumnae Association's annual Community Service initiative. As was the case last year, this year an in-person Community Service Day did not occur, however it was replaced with our *Collection for a Charity*. For the second year in a row, students, staff and alumnae donated much-needed items to the Native Women's Shelter of Montreal. Thank you to Alumnae Board member **Harkamal Gahunia '97** for her organization of this very worthy cause.

Alumnae News

Gwendolyn (Wendy) Yip '81 and her husband Santa Ono (President of UBC) and I have enjoyed living and working in Vancouver for almost six years. “ *Our firstborn daughter just graduated from the University of Cincinnati —College of DAAP, with a B.S. in Communications Design and a minor in Psychology. She will marry her college sweetheart in July 2022 and will settle on the West Coast. Our second born daughter will graduate from high school in June and will study Kinesiology at UBC in the autumn.*”

Gwendolyn helps to promote community-building at UBC and off-campus, as University Ambassador. She also serves as the volunteer

President of the Pacific Canada Heritage Centre - Museum of Migration Society (<https://pchc-mom.ca>), a nonprofit dedicated to fostering a deeper understanding of Canada's history and growth through intercultural explorations of historic and current migration to, within and through Pacific Canada.

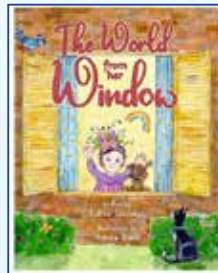

Congratulations to **Cynthia Costigan '84** on the graduation of her daughter **Taryn Costigan-Coleman '22** from The Sacred Heart School of Montreal. Proud mom and aunt **Charlotte Costigan '85** are thrilled to have another Sacred Heart alum in the family

Cassie Farrell '06 and her husband, Nate Rolf, live in South Bend, Indiana. They have three children, Isabelle (4) Johnny (3) and Alexander (4 months). Cassie had been working as a counselor and care and wellness consultant since completing her MDiv at the University of Notre Dame, but is taking some much needed time off in order to devote more energy to her family and to pursuing new projects.

Katina Goulakos '08 is a Children's Author, Lifestyle and Entertainment Journalist, Blogger, and Ghost Writer. Working in both Montreal and New York City throughout her twelve-year career, she has had the privilege

of interviewing a slew of impressive subjects. Her wit, charisma, and charm come through in everything she writes, including her latest project, a children's book titled **The World From Her Window**, inspired by her daughter, Marlo.

Congratulations to **Isabella Arduini '12** who recently started a new position as Legal Counsel at Brasswater. For two years prior to joining the company, Isabella worked at a boutique law firm in Montreal practicing in litigation and commercial and corporate law with a focus on real estate. She also studied Civil Law at the University of Ottawa and Common Law at Université de Montréal.

Congratulations to **Abigail Trevino '14** who has signed a one year contract with Bell Media as the Content Producer for The Elias Makos Show on CJAD 800. After obtaining her honours in journalism from the University of King's

College in Halifax, Nova Scotia, Abigail came back home to Montreal to look for work in her field. She's excited and grateful to be able to tell people's stories and keep the English speaking community of Montreal informed.

On June 4th 2022, **Meagan Coleman '11** married her long-time boyfriend Kyle Montgomery Mountain. In attendance were

more than 200 of their closest friends and family, including Sacred Heart alums: **Christine Horonowitsch '11, Kathleen Brown-Vandecruys '11 & Kathleen DiCaprio '11**. Ceremony and reception were held at Maison Principale in St Henri, Montreal. The newlyweds are looking forward to their honeymoon in Croatia and Northern Italy this fall, as well as getting settled into their new home in Pointe Claire.

On November 13, Sacred Heart's beloved Social Sciences teacher and alumna **Ms. Alexandra Lantosh '06** married her longtime partner Marco Cordeiro Afonso. The

newlyweds recently celebrated their honeymoon in Paris over the March Break.

Congratulations to **Ms. Jasmin Marchlewski** (Faculty) on the birth of her son Nathan Iannattone on Wednesday, June 8 at 6:08 am and weighing a heavy 8 pounds and 5 ounces. Mom and Dad are so grateful and feel so full. *"Crazy how much love we have for him already. We're continuously learning and feel so lucky to be his parents."*

Congratulations to **Ms. Rebecca Benizri** (Residence Life Coordinator & Math teacher) on her marriage to Michael Gladstein. The couple were married on May 22 at Or Shalom Synagogue. Upon returning from their honeymoon in Maui, Hawaii, Rebecca and Michael will be settling into their new home and not returning to the School's Residence. Best of luck!

Best of luck to the School's Personal Counselor, Florise Boyard who has decided not to return to Sacred Heart following her maternity leave and welcome to **Gabriella D'Onofrio '13** who will assume this full-time position at the School.

Following her placement at Sacred Heart as a Social Studies student teacher, **Kennedy Lane '16** will start a full time position in August 2022. She will divide her time between teaching English Language Arts, Ethics, Geography and History classes. Welcome back, Kennedy.

Farewells

From left to right: Ms. Mclvor, Ms. Lessey and Ms. Arella

Having first taught in the public school system, then for nine years in Korea and at Sacred Heart for the last 17 years, **Gisela Mclvor** has decided to retire. Her expertise and dedication as an educator has inspired both faculty and students alike. She has guided and encouraged many to reach their potential. Her steadfast commitment to helping students find their voice and express their thoughts, has resulted in producing countless skilled writers and numerous confident public speakers. Serving as the English Language Arts Department Head for many years, she gained the respect of her colleagues and will be missed by all. Ms. Mclvor loves to travel and is immediately embarking on a 10 week sojourn at the start of the summer break. Congratulations on a well-deserved retirement and safe travels!

In 2003, a young new teacher by the name of **Michelle Lessey** joined the English Language Arts Department bringing to it new and creative ideas, positive energy and an infectious laugh. Ms. Lessey's dedication to the preparation of young girls for success and her genuine care and concern for her students has been appreciated by so many during her past 19 years as a Sacred Heart educator. To quote her longtime friend and colleague Ms. Mclvor, *"no doubt you will face your new challenges and opportunities with your customary enthusiasm and fortitude and you will make your indelible mark there, just as you have done here."*

At the year-end Faculty and Staff BBQ, a third beloved English teacher was honored by colleagues as her teaching career came to an end. **Lisa Arella**, a longtime teacher, completed almost 19 years at Sacred Heart for a total of 28 years in education. Ms. Arella's love of literature is endless and she shared that passion for reading with students and adults alike. Her creative and innovative ideas in the classroom engaged her students. Ms. Arella was the House Advisor for Sheldon for many years as well as the Advisor for The Pulse, a student newspaper. She is excited to explore new pastimes and activities during her retirement, as well as spending more time with her family, her husband Dominic, her beloved Buster, a miniature poodle and Molly, her cat.

Following a very successful career as an Executive Assistant at Bell Canada and ICAO, in August 2017, **Ms. Colleen O'Donnell** joined the Sacred Heart family and took on the position as Executive Assistant to the Head of School. Her executive skills, as well as her kind, patient and generous nature will be greatly missed as she commences her well-deserved retirement. The students and staff will miss her daily contributions to the smooth running of the School and wish her only the very best for a long, happy and healthy retirement.

For the past nine years, **Isabel Brinck '92** has worked as the Communications Coordinator at Sacred Heart. During her time, she was instrumental in implementing an extensive social media strategy, managing the school's database and recently revamping the School's website. Isabel left Sacred Heart in February and continues to work in the field of marketing and communications in the healthcare sector.

Cassandra D'Amico-Mazza '09 has worked at her alma mater for the past seven years in a multitude of capacities. She is currently the Book Room Coordinator as well as Study Period and Homework Program supervisor. Previously, Cassandra worked as Library Support, an exam invigilator as well as at the Portry during the summer months. Her diligence and easy going nature will be missed as she leaves Sacred Heart to pursue her studies. In September she will start working on her PhD in Cultural Heritage in the Faculty of Information Studies at University of Toronto. Thank you, Cassandra and best of luck.

21st Annual Sacred Heart Golf Tournament

From perfect company to perfect weather, the 21st Annual Golf Tournament was a true success. On June 2nd 2022, golfers were treated to 7 delicious food stations spread out over the 18 hole course at the wonderful Golf St-Raphaël. The sold out event raised \$60,000 net for the School's Bursary Fund. Thank you to the generous donors and our supportive bidders who helped raise a record selling of \$5,300 worth of raffle tickets and \$10,000 from the online silent auction!

The golf tournament would have not been possible without the support of our sponsors. Many thanks to our major sponsors: Novirtus Transport Quality Carriers; TD Bank; Molson Coors Beverage Company; Richardson Wealth; Vitesse Transport and PSB

Boisjoli, as well as to our hole sponsors: Laurus Summer Camp, Agape Senior Wellness Centre, Enseignes Montreal Neon, STR Logistics, Citernes Experts Inc., Slimwave Technologies, PSB Boisjoli, Golden Home Care, Botsis Fruits & Legumes, Mongiat Bernucci, Coldwell Banker, Planit Construction, Strathmore, Chenail Import Export, Quala, NTS, EQ Finance, ReMax Excellence, Atwill Morin, Ancona, Peak Group, Galien Group, ALRE, National Bank Financial & Laval News. Many thanks to our swag bag contributor, Beaver Tails and to the incredible volunteers!

The City House Foundation Cup, awarded to the best overall foursome, went to prevailing champions, **Jennifer Newton '06** (Faculty) and her family: Mom, Louise; Dad, Gary and Brother, Chris. The Founders Cup, awarded to the best alumnae foursome, went to reigning champions **Rosemary Vaupshas '78; Tara Durley '85; Mary Ann Advincula '91** and **Charlotte Le Fèvre '13**.

The Julia Cianci Wellness Centre

The Sacred Heart School of Montreal is happy to announce the opening of the Julia Cianci Wellness Centre come Fall 2022. Barat Hall, known to generations of alumnae, has been transformed into an impressive centre primarily designed to encourage not only the physical health, but the mental and emotional health of the students as well.

Consisting of two well-thought out unique zones, the Julia Cianci Wellness Centre is cultivating the well-being of the students in addition to the staff, educators and alumnae alike.

Creating a space that offers an opportunity to participate, engage and communicate freely while putting one's health as a priority is one of the many ways Sacred Heart has chosen to enhance the student experience.

This project is in line with the thorough strategic plan that has been set in place, aligning Sacred Heart's physical institution

with the essential shift in today's society to focus on one's inner well-being. This is one of the countless ways that the vibrant memory of **Julia Cianci '18** will continuously inspire the Sacred Heart community. Keep an eye out for details about the opening date!
