Trip Attendance Guidelines

Registration Requirements

Once a trip achiever has been notified that they’ve earned the trip, they are required to register by September 19, 2025 via the provided online registration system. If registration is not completed by that time, space is not guaranteed. Note, if an achiever does not register and then arrives onsite or arrives with guests who have not been previously approved, we may not have airport transfers or a hotel room to accommodate them or their guest.

Trip Attendance Guidelines

Air Travel

Once an achiever is registered for the trip, they will be responsible for booking their own round-trip flight(s). We will reimburse them up to \$1,200 USD per person or \$2,400 USD for an achiever and one guest. Reimbursement will be issued 30 days after the close of the trip, and only after receipts have been submitted to lifewave-asia@lifewave.com. Please see the FAQ section for more details.

Accommodations

Trip achievers will be provided with a standard double-occupancy guest room at the host resort during the trip dates. Any extension to these dates should be handled by the trip achiever with the resort based on availability, and at the cost of the trip achiever.

Additional Guest Buy-In

There is no buy-in option for this event. There will be no exceptions for guests or non-qualified attendees to attend business sessions, tours, activities, or inclusions in transfers.

Airport Ground Transfers

Ground transportation will be provided between the airport and the resort on official arrival and departure days. Anyone arriving prior to or staying past the program dates will be responsible for their own transfers. More information can be found in the FAQs.

Cash-In-Lieu

Cash-in-lieu of attendance is not permitted.

Meals

Most meals are provided. Please see trip itinerary, when available, for details. We recommend that trip achievers be prepared to cover their own meals on their travel days to and from the destination.

Transfers

All earned trips and flight credits are nontransferable and have no cash value.

Incidental Charges

Incidental charges are not covered by LifeWave. Upon arrival at the resort, trip achievers will be asked to present a credit card to be kept on file for incidental charges. Most resorts will place a hold on this card for the duration of the stay.

Tax Reporting

The cost of accommodations, meals, gifts, prizes, and activities will be reported to the tax authority where required.

Activities

We want all trip achievers to experience the features of this amazing destination; therefore, some group activities will be provided, and they will also get some free time to explore on their own. More details will be made available after the qualification period has ended.

Exclusive Leader Experience at Global Convention FAQ

Qualifications & RSVP

Q1 How will someone know if they qualify?

A1 Trip achievers will be contacted during the week of September 15th with an official invitation via email. At the close of qualification, and monthly through the qualification period, an achiever list will be published.

Q2 Once trip achievers have been notified that they've earned the trip, how do they register?

A2 Upon qualification, and before registration opens, they will receive an official invitation via email with a link to register.

Q3 Can trip achievers just email or call their VIP team and have them register them?

A3 No, they will need to complete their own registration with as many details as they can. This will ensure that we are able to provide the best experience possible for them and their guest onsite.

Q4 When does registration open?

A4 September 15, 2025

Q5 When is the deadline to register?

A5 September 19, 2025

Q6 What happens if a trip achiever cannot attend?

A6 If they cannot attend (and we sincerely hope they can), they will forfeit the trip. The trip is nontransferable and has no cash value.

Q7 What happens if a trip achiever confirms they are coming and then needs to cancel?

A7 LifeWave must receive written notification of cancellation no later than October 1, 2025. Any trip achiever who cancels after this date will be charged a cancellation fee of \$5,000 USD via commissions deduction. Should a trip achiever's commissions not have enough funds for the full deduction at once, it will be reduced by whatever amount is available until the full amount has been deducted. Should a trip achiever confirm they are attending and then not show up, the same process applies.

Q8 What happens if a trip achiever does not confirm they are coming and they show up anyway?

A8 We must know in advance that they are coming so we can make the proper arrangements for their attendance. Unfortunately, we can only guarantee transportation, accommodations, and participation for those who choose to attend and provide the registration and necessary details by the deadlines outlined.

Q9 Can trip achievers bring a guest?

A9 Yes, their qualification for the LifeWave **Exclusive Leader Experience at Global Convention** includes participation for them and a plus one. Their guest, however, must qualify under the LifeWave Guest Policy as outlined below.

1. Guest must be over the age of 18, with the exception of a breastfeeding infant.
2. Guest must **not** be a LifeWave Brand Partner, unless they are a spouse/domestic partner or immediate family member.
3. Additional guests outside of the plus-one are not permitted on this trip.

Q10 If a trip achiever earns the trip but cannot attend, can their guest still attend without them?

A10 If a trip achiever cannot attend (we sincerely hope they can), they will forfeit the trip and their guest will not be able to attend without them. The trip is nontransferable and has no cash value.

Q11 If a trip achiever earns the trip but cannot attend, can they still get the trip gifts?

A11 Unfortunately, we will be unable to provide any experience or elements of the trip and its gifts to anyone who does not physically attend in person.

TRAVEL AND FLIGHT DETAILS

Q1 Does a trip achiever need a visa or passport?

A1 It is the responsibility of the trip achiever, and our recommendation, that they check with their local embassy or their trip destination embassy to determine if a visa is needed and whether there is a cost associated with it. If a trip achiever needs to request a visa letter, they should email us at lifewave-asia@lifewave.com.

Q2 Is a vaccination for COVID 19 required to visit?

A2 As of the date of this document, vaccinations are not required to visit Newport, CA USA.

Q3 What happens if a trip achiever does not get the proper travel documents (such as a visa) or does not have the appropriate passport documentation and is denied boarding to their flight?

A3 It is the responsibility of the trip achiever to get the proper travel documents. If a trip achiever does not get the appropriate travel documents and is denied boarding, and is therefore unable to attend the trip, they forfeit the value of the trip as well as their airfare voucher. The cancellation fee will be their responsibility.

Q4 How are flights booked?

A4 Once a trip achiever has received their official trip invite, they are responsible for booking their own flights. We recommend that they book as early as possible to get the best rates!

Q5 Which airport code should trip achievers use to book their flights?

A5 Flights should be booked into and out of either John Wayne Airport (SNA) or Long Beach Airport (LGB) where possible. International travelers may need to look at Los Angeles Airport (LAX).

Q6 How and when will trip achievers receive their travel voucher for their flights?

A6 Once they have booked their flights, they need to send the receipt to lifewave-asia@lifewave.com. Reimbursements can take up to 30 days after the close of the trip and will only be issued to trip achievers who attended the trip. This reimbursement will be received via commissions.

Q7 How much will trip achievers be reimbursed for their flights?
