NEW! ELECTIVES

This year, your child has the opportunity to add special electives to their camp weeks. Think art, music, adventure, pop culture, sports and more. All electives give your child the opportunity to explore activities they love and ones they want to try.

SCHEDULES

We make it convenient for your child to sample many camps outdoors and in over their summer. One week your child can enjoy a trip to an island and the next, tackle a science experiment or build an outdoor structure. Check out all of your camp options to build your summer of fun.
