Scarlett Lewis founded the Jesse Lewis Choose Love Movement after her 6-year old son, Jesse, was murdered in his first grade classroom at Sandy Hook Elementary School. Over the past 5.5 years, she has tirelessly spread the “Choose Love” message around the world. Governor Sununu recently released the statewide School Safety Preparedness Taskforce Report that highlights the importance of social and emotional learning. He references the Jesse Lewis Choose Love Movement as a backbone of support for the state of New Hampshire.

This discussion with Scarlett Lewis about the Jesse Lewis Choose Love Movement will emphasize the comprehensive Pre K—12th grade social emotional learning curriculum that changes school culture and climate.

BECOME CONNECTED, RESILIENT, AND EMPOWERED WHEN YOU “CHOOSE LOVE”.
