All Elementary Band Concerts are at Sanborn Regional High School Auditorium. It is expected that all band students will attend and perform in the scheduled concerts. It is the students' one opportunity to show not only that they have mastered the literature, but have also honed their group performance skills. And most importantly, it is an opportunity for the community to come together to celebrate these students' accomplishments in the arts.

Music Boosters: The Sanborn Music Boosters are a parent led organization that supports the music programs in our Sanborn schools. We have monthly meetings in the High School Band Room. Please email us to be added to our email list so we can send you meeting updates.

Email: SanbornMusicBoostersAssoc@gmail.com or find us on Facebook at Sanborn Music Boosters for more information and Thanks!

I love working with your kids as they learn to play their instruments! I hope this will be the beginning of a lifelong enjoyment of music making. Please let me know if you have any questions.
