STUDENT ACADEMIC, SOCIAL, AND INDIVIDUAL NEEDS

STUDENT NAME _____

GRADE ENTERING IN *SEPTEMBER* _____

We, as educators, feel that we keep the best interests of children always in our minds as we work for appropriate placements. You, as parents, know your children very well and may wish to share information about them that will help us make the decision.

The decision to place a student with a particular teacher, in a specific class, or with (or away from) certain other students may differ from a parent's perception of what the placement should be. However, we assure you that we consider these decisions to be very important and pledge to act in your child's best interests.
