

Sanctioned by the Flight School Association of North America | [fsana.com](http://fsana.com)

# A day camp like no other

Campers learn first hand about the dynamics of airplanes and flight and about careers in aviation and aerospace. Every camper is given the opportunity to fly an aircraft, however, flight time is only a fraction of the AeroCamp experience and is not required to have a great learning adventure. Camps are held at participating FSANA-member flight schools around the country. Ages 12-18.

Look for the FSANA and AeroCamp emblems.

Find locations at [myaerocamp.com](http://myaerocamp.com)

The Flight School Association of North America provides programs and services that enhance the ability of flight schools to serve their customers and communities. The association promotes best business practices to help flight schools and their industry thrive and increase the pilot population.
