

Membership Money-Back Guarantee

AeroCamp programs being held around the country have proven so successful that the Flight School Association is offering a membership dues money-back guarantee to any first-year member who runs a FSANA AeroCamp program. If by running an AeroCamp program following FSANA's AeroCamp toolkit guidelines for one summer season, your facility does not earn enough profit to cover your annual dues payment, your payment amount will be refunded or, if you prefer, your FSANA membership will be extended for a second year. Offer limited to flight school operators as defined in FSANA's membership application. Proof of AeroCamp operation required.
