

THE TIGER ZONE

PACIFIC TIGERS MEN'S BASKETBALL BOOSTER CLUB

“The newly established Tiger Zone will be critical to the development and enhancement of Pacific Men’s Basketball. The funds raised will directly correlate to the basketball product that we want to put on display in front of our loyal fans as we aim to contend for West Coast Conference championships.”

*- Damon Stoudamire,
Pacific Tigers Men’s Basketball Head Coach*

ESTABLISHING A WINNING CULTURE

The Pacific Athletic Foundation and Head Coach Damon Stoudamire invite you to join the newly established Pacific Men’s Basketball booster club, The Tiger Zone. The Tiger Zone will allow alumni, parents and community friends the opportunity to partner with the basketball program to provide increased financial support. This support will go towards enhancing the operations of the program and help the Tigers establish a winning culture here at University of the Pacific.

Last season, the Tigers made huge strides in the West Coast Conference (WCC) as they more than doubled their conference wins from the previous season and finished in a tie for fourth place. As Pacific continues to make a name for themselves as a top contender in the WCC, the financial support from our boosters is much appreciated and will go directly toward enhancing the student-athlete experience and the success of Pacific Men’s Basketball.
