JOIN THE MISSION TO REMEMBER, HONOR, TEACH

Civil Air Patrol has been one of the largest national partners of Wreaths Across America since the organization was formed in 2007. Through the Wreaths Across America Group Sponsorship Program, cadets have the opportunity to again honor the veterans laid to rest in their community and, in the process, help raise funds for their squadron. With each $17 wreath sponsored through your group, you will receive $5 back for your own programs.
