

# TRAUMA INFORMED COMMUNITY

CONNECTING OUR STRENGTHS

# Trauma-Informed Community Virtual Summit

June 16, 2021 | 9:00 AM-NOON | Zoom Webinar

[REGISTER HERE](#)

## KEYNOTE ADDRESS

Dr. Connie G. White, MD, Deputy Commissioner, Kentucky Department for Public Health

## COMMUNITY PANEL

*Professionals from various fields will discuss trauma-informed care from the local perspective*

**Moderator:** Terrah D. Combs, M.Ed., LPCC-S, Rising Center Director, Kentucky River Community Care

Cristiana Rush, LCSW, District Health Coordinator/Behavior Consultant, Perry County Schools

Alesha Staley, MSW, Health Promotion Specialist, KY River District Health Department

Mark Combs, Pastor, Summit Community Church

Minor Allen, Chief of Police, Hazard Police Department

Felicia Wright, Victim Advocate, Letcher County Commonwealth Attorney's Office

## ROUND TABLE DISCUSSION (Optional)

How can we connect our strengths for a more resilient community?

Come be part of this conversation that will follow the summit presentations.

*Summit attendees will gain: 1) knowledge about trauma from both a community and individual perspective; 2) awareness of local community services and initiatives around trauma informed care; and 3) discussion around organization assessment regarding acknowledging and responding to trauma and why it is important in our community.*
